

**The
GILMER ISD
School Health
Advisory Council
is seeking new members!**

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement. The SHAC meets at least 4 times during the school year.

If you are interested in serving on the SHAC, please complete the form below and return it to your child's campus or email or fax it to:
